# BROADHEAD LEAGUE

Get ready for the up coming hunting seasons by shooting at realistic targets at realistic yardages and realistic field conditions. Use your hunting equipment, including broad heads, and practice judging distances with different size animals.

The league starts the first Wednesday in May and runs each Wednesday for ten weeks, with the last week being awards and shoot offs.

Participants will register and sign the insurance waiver each week before they shoot. The cost is \$3.00 for members and \$5.00 for nonmembers. Shooting starts at 6:00pm. Help setting up the animals and taking them down is greatly appreciated.

The scoring is the same as a 3D tournament:  
11 for a hit in the pro ring, 10 in the kill, 8 for a wound.

To qualify for awards you must shoot broadheads and rangefinders are only permitted the last two weeks of league. It takes six scores to qualify for awards. If you wish to shoot target arrows and/or use range finders, you may. Please keep yardages to yourself, because estimation of yardages is a purpose of the league.

The clout shoot is a fun, and sometimes profitable, part of the league. The cost is \$5.00 per week and you must shoot at least five weeks to qualify for the shoot off. The clout animal has a nail head in it and the closest each week earns an arrow for the shoot off. No rangefinders on the clout shoot. The payoff is 100% of the clout proceeds.
