

# El Dorado Hills Bowmen

## The President's Report

By Tom Grube

The Trad shoot was a success and all that shot said they had a good time. We can continue this shoot next year if the majority would like. Next year we need to pick a date that does not have so many conflicts. We also need to be a little better organized next year.

This year the set up of the course went along fine as we staged the animals the day before. The take down was another story since almost everyone left and we only had 4 available to pick up and restack the animals. Thanks to Dick Brixey who used his quad for the transport and the others who remained to pick up.

We have been working hard at the range and Tony Dunn, our new Range Manager, has been the driving force. The majority of the newly arrived bales have been tightened and many are set out on the range. Tony has also been building sheds to cover the bales and the upper half (15-28) have all been set. The sheds have been primed and now need a finish coat of paint so if you have time we could sure use your help. The sheds also have to be roofed and we have the rolled roofing available.

See you at the range.  
- Tom

## Secretary / Treasurer's Report

By Glenda Chastain

For our first attempt at having a TRAD shoot it went very well; we had 37 paying participants. We only had a very few problems and most of them were taken care of on shoot day. Even with a low attendance we did manage to make a profit of \$396.30. Income from

registration was \$450.00 and from the kitchen it was \$172.25. Our expenses were low and that helped make it possible to come out with a profit. Please see the TRAD Shoot article within the newsletter for complete scores.

I am working to have all the renewal forms for 2011 in the mail the first week of November. I am also working on the menu for our Awards Banquet, which will be held on Saturday, January 8th, 2011 (not January 9th as previously stated in our last newsletter).

Be sure and change the date on your calendars from the 9th to the 8th of January, 2011 for our banquet. I will have more information regarding the Banquet by the first of December.

We have another new member join EDHB:  
**Bill Petersen**

**A REMINDER:** If there are any changes to your address, phone number, email address please let me know. Thanks

Have a great day - Glenda  
[kcglen@ulink.net](mailto:kcglen@ulink.net)

## The Vice President's Report

By Paul Washburn

Well folks, We Made It... Our EDHB Tournament Season is over. The Traditional 3D Tournament was a First Time Success. Even though the registration numbers were a little low, the Archers in attendance were very please with our

presentation. Many Thanks to the EDHB Staff, Members and Volunteers that made the Tournament a success.

The Susan G. Komen, Shoot For The Cure Tournament was also a First Time Success. Lisa Pole, Rick Cartrae, and the JOAD team, the EDHB Staff, Members, and Volunteers put on a great Tournament. Can't thank Everyone for all their efforts, and dedication in support of the Tournaments. Both Tournaments will be scheduled again for 2011.

We are already making the plans for our 2 day 3D Tournament in March 2011. We are anticipating a larger crowd than last year, so we will be prepared.

Glenda Chastain has the EDHB Annual Awards Banquet in hand. Information will be mailed out shortly for the date, time and place.

A "SPECIAL THANKS" to Scott Edwards, Wayne Nelson, Dennis Shaw, Wade Adams and his son, Lane, Tony Kasovich and Dave McReynolds for their support and participation in the EDHB Booth and Shooting Range at the recent El Dorado County Sportsman 3-Day Expo.

The Range Management Team, Tony Dunn, Sr, Eric Land and Staff are continuing to construct the Target Sheds, compressing and banding the new bales, and exchanging them with the old bales at the target sites. Plans are to complete the project before the rains and weather slow us down. Tony D, Sr and Staff met with the EDH -CSD Engineer, Darrah Ramsbotham to discuss and review our Building Plans. The El Dorado County Building Department has made a few very justifiable recommendations and modifications to the Building Plans which include the California requirements for the handicapped.

The EDHB Board of Directors are extremely pleased with the progress that Ken Mace and the Construction Committee have accomplished to date. As you know this project has been in the "fire" for over a year.

General information for the newer members of the EDHB, is that we are a multi-faceted organization. We have on-going programs for the Target Archers, the Hunters, the CSD-Youth, the Junior Olympic Archery Development (JOAD), beginning archers and just interested archers who like to practice at the site-in

range. We also have many projects that are working concurrently, and it was over-heard that we, the EDHB "have accomplished more improvements on the range in the last two years than we have in the past ten".

We have had a very busy schedule with great accomplishments. MANY , MANY THANKS TO ALL WHO HAVE MADE IT POSSIBLE FOR OUR PROGRESS.

HAVE A GREAT ARCHERY 'DAY !! - Paul

# The Range Manager's Report

By Tony Dunn, Sr.

My report for this month will be short. I have just assumed the Range Manager's position and would like to THANK Ken Grabowski for his tireless efforts and dedication to this position. He and his staff was a major reason for the improvements on the Range.

I would like to introduce you to my staff:

- **Assistant Range Manger** - Eric Land
- **Field Range** - Eric Land
- **JOAD** - Lisa Pole & Rick Carfrae
- **Construction Committee** - Tony Dunn, Sr , Ken Mace, Max Fregoso, Joe Baer, Eric Land & Tony Kasovich
- **Field Targets** - Ken Grabowski & Eldonna Moran
- **3D Animals** - Jim Comstock

I am in the process of building the remaining Target Sheds and replacing the old bales. This should be completed shortly and then we are planning a Range clean-up, rid of old bales, and hopefully begin the preparation for the foundation of the Main Utility Shed.

We are also looking into the possibility of purchasing rice bales, then we can compare them with the wheat bales to see which will be the best investment and longevity.

When I have scheduled a work party at the range, I would like to see more of our members participate so they will get credit for the hours worked.

That's all that I have for you at this time, I'll see you at the Range.

- Tony

## Classification Manager's Report

By Jim Comstock

Hello all. Our club shoot for October is on the 10th. It should be fairly decent weather for us on that day. To all of you shooting other tournaments are hunting I wish you the best of luck. There are some really fun shoots coming up in the next couple of months all around the area. To find

out about these shoots, look in the newsletter or you can look on the CBH website. Their address is [www.cbhsaa.com](http://www.cbhsaa.com).

I know that last month our shoot was lost in the shuffle, but before I give the pin out for September I would like to make sure that all of the score cards are in. You can reach me at [comstockj@hotmail.com](mailto:comstockj@hotmail.com) or leave the cards on the lower left of the range board. If you are on the list to receive your club shoot pin for August, get a hold of me to receive your pin. Since the old clubhouse is going to be taken down here soon, we will be moving the mailbox with the card to a new

location. Once that happens, I will make sure to get the word out. Remember, shoot straight.

Jim

## How to Shoot and Score Your Monthly Club Shoot

### FIELD ROUND

#### TARGET FACE

#### SCORING

- 5 points
- 4 points
- 3 points

An arrow shaft need only touch the line to be counted in the area of the next higher value.

#### SHOOTING RULES

Each archer shall shoot (4) arrows at each of the 14 target layouts in a unit

#### DISTANCE MARKERS

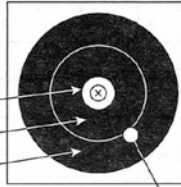

- **ADULT** (over 18) *White Markers* indicate the yardage, and shooting position.
- **YOUNG ADULT** (15 through 17) Shoot from the adult *White Markers*.
- **YOUTH** (12 through 14) Shoot the adult stakes up to 50 yards. Any adult yardage over 50 yards will have a *Blue Marker* which indicates the youth shooting position.
- **CUB** (under 12) Shoot (4) arrows from the *Black Markers*.

### HUNTER ROUND

#### TARGET FACE

#### SCORING

- 5 points
- 4 points
- 3 points

An arrow shaft need only touch the line to be counted in the area of the next higher value.

#### SHOOTING RULES

Each archer shall shoot (4) arrows at each of the 14 target layouts in a unit

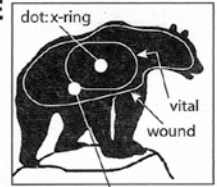

#### DISTANCE MARKERS

- **ADULT** (over 18) *Red Markers* indicate the yardage, and shooting position.
- **YOUNG ADULT** (15 through 17) Shoot from the adult *Red Markers*.
- **YOUTH** (12 through 14) Shoot the adult stakes up to 50 yards. Any adult yardage over 50 yards will have a *Blue Marker* which indicates the youth shooting position.
- **CUB** (under 12) Shoot (4) arrows from the *Black Markers*.

### ANIMAL ROUND

#### TARGET FACE SCORING

- 1st 21 points x-ring  
20 points vital  
18 points wound
- 2nd 17 points x-ring  
16 points vital  
14 points wound
- 3rd 13 points x-ring  
12 points vital  
10 points wound

An arrow shaft need only touch the line to be counted in the area of the next higher value.

#### SHOOTING RULES

A maximum of (3) marked arrows may be shot, in successive order, and the highest scoring arrow will count. In the case of walk-up targets the first arrow must be shot from the farthest stake, the second arrow from the middle stake, and the third arrow from the nearest stake, in order to be scored.

#### DISTANCE MARKERS

- **ADULT** (over 18) *Yellow Markers* indicate the yardage, and shooting position.
- **YOUNG ADULT** (15 through 17) Shoot from the adult *Yellow Markers*.
- **YOUTH** (12 through 14) Shoot the adult stakes up to 50 yards. Any adult yardage over 50 yards will have a *Blue Marker* which indicates the youth shooting position.
- **CUB** (under 12) Shoot (1-3) arrows from the *Black Markers*.

# 1st Annual JOAD "Shoot for the Cure" is a Success

By Lisa Pole

Our Wilderness JOAD 1st Annual "Shoot for the Cure" was a success. Fifty archers participated on October 2nd 2010 at the El Dorado Hills Bowmen's Range and endured the warm sunny day. The archers were impressed with the layout of the field and the silly cartoon paper targets which had neon pink centers.

The pasta lunch and raffle were both big hits. First, second and third place awards were awarded for each of the different divisions. With this being a Fun Shoot Fundraiser for the Sacramento Affiliate of Susan G. Komen for the Cure®, all of the standard NFAA divisions were not available. A few archers expressed their concern and next time we will change the categories to break out the compound archers with scopes verses pins.

The event would not have been possible without the gracious support of the El Dorado Hills Bowmen and the El Dorado Hills Community Service District and the use of their range. Without them our event would not have been possible. A Big Thank You to our sponsors Wilderness Archery (Mike Woltering), Sagittarius Screenprint & Embroidery, Frontline Archery, Janie Ledbetter, Muzzy, Bowtech, Norcal Beverage Company (Jim Martinez), Jim Comstock, Panero Farms, Sacramento Blinds & Design, Sun Central Tanning & Oxygen Bar, The Tooth Station, The Kaupe Family and Jason Brush.

A special Thank you to Paul Washburn and his tenacity in helping us achieve our goals! Last of all, Thank you to the Wilderness Golden State JOAD parents and kids who worked this event. We are sending a check to Susan G. Komen for \$1500.00. We are looking forward to setting new goals for 2011 with another "Shoot for the Cure"!

# EDHB 3D Trad Shoot a Score with Members and Guests Alike

By Ken Grabowski

For the first Traditional Shoot hosted by El Dorado Hills Bowmen, we should be proud as a primarily compound shooting club. There was a good turnout for workers and our target locations were generally pretty good. Most of our trad guys did a little survey of our guests and there were very few complaints. Personally, I view it as a successful and really fun.

A special thanks to Don Beech for SUPER breakfast burritos! Dick Brixey was a life saver for animal placement & recovery with is "Hottie" quad. Also, Jim Comstock was all over the place with his valuable hard work and inspiration. Plus a group of hard working members that pulled together making the shoot successful whose names escape me at this time. Glenda Chastain and El Donna made registration a breeze!

Personally, I think that we should do it again next year. With a better date (eliminating conflicts with other archery events & hunting seasons) and adding a few novelty shoots (running deer/clout, etc.). This could be a good "money maker" for our club and possibly convert a few of our own members to another aspect of fun archery.

Thanks to all! - Ken Grabowski
