

El Dorado Hills Bowmen

The President's Report

By Tom Grube

Thanks to Glenda for making the arrangements and to Jeff and Ken for setting up for the Banquet. A special thanks to Diane Goldman and the gang from Cordova Culinary Academy for a great meal. Those that didn't make it missed out on a fun evening.

A lot of work has been done on the range lately and we are in the homestretch as far as the target sheds are concerned. Thanks to the efforts of Tony we have only 3 more to assemble and about six to haul out to the targets. Eric has been a great help and has been using his quad for the heavy hauling.

Our next and concurrent project is repairing the 3D animals for our upcoming shoot in March. The old building is being used as an animal hospital and we are working on several formulas for completing the repairs. More help is needed and we now have a few animals ready for painting.

Our Vice President Paul Washburn is currently undergoing some medical challenges. We miss him not being at the range and meetings. Paul was also in charge of the Tournament so with his being out of commission we need everyone to step up and help out where they can. Our thoughts and prayers go out to Paul as he goes through recovery and we look forward to his speedy return to the range.

Please be sure to submit your renewals to avoid having to pay another initiation fee. Everyone should have received the information from Glenda. If not please give her a call.

See you at the range.

Secretary / Treasurer's Report

By Glenda Chastain

By the time you receive this newsletter you should have all received your 2011 Range Pass. Sorry for the delay but with a few minor computer and printer problems I finally was able to get the range passes all completed.

We have some new members to welcome to the club and they are:

Nate Sisam
Niloh Rhise & family
Robert & Deborah Bickel
Randy Young
Chad Young
Chantai Sircy & family
Cliff Landaker
Westley Schroeder & family
Beau Medlock
Tony Medlock & family

Hope I didn't forget anyone.

Our banquet was a success again this year even though the attendance was low. The food provided by the Cordova High School Future Homemakers of America was delicious and enjoyed by all. This year instead of a buffet line we were served our dinners and the young students did a fantastic job. We congratulate them on a job well done. All of those attending enjoyed the food and the evening.

A REMINDER: If there are any changes to your address, phone number, email address please let me know. Thanks

Have a great day.

- Glenda

The Range Manager's Report

By Tony Dunn, Sr.

Well, it's that time again to get the range ready for the Open Shoot, March 5 & 6. You can shoot one day and work one day, so please let Tom know which day you will work, as he is in charge of the shoot in the absence of Paul.

We will be having a second monthly work party on Saturday, February 26 and Friday, March 4 to set up the range. We have work that all members can do-paint, glue or repair targets, etc. (Our February 12th work party was well attended and we were able to set the final four target sheds as well as paint the spots and target rings on all of the repaired 3D targets.)

As you may have heard, we are repairing our animal targets, which will save us \$. We're close to having all of the targets repaired, with a little more work, they'll be completed.

The March newsletter will have the new target assignments and also, March, will change the lock combo to the gate and sheds.

I would like to thank Tom G. for all his help. The range is lucky to have him as president. And to Paul W., hope you have a quick recovery and will be back soon. (We don't have a bobcat operator ☺).

That's all for now. ENJOY the range and have fun!

That's it for this time.

Classification Manager's Report

By Jim Comstock

Hello all. It is a start to the new year for our club shoots. This year you will have to shoot four shoots to qualify for awards at the end of the year. I feel this might bring the attendance up for the year. With that being said, there are some of you that still have awards to receive.

You can get a hold of me to schedule a time to pick them up.

We are kicking around the thought of having a club championship shoot in or around late October. If any of the members have ideas, you can e-mail me at comstockj@hotmail.com. Please put club championship in the title. Any input would be appreciated.

If you cannot shoot on the club shoot day, please get your cards to me by the last week of the month. You can scan them and send the to the e-mail above with the title "club shoot" in it. If you don't have a scanner, e-mail me the score and put the card in the lower left pocket on the range board. And as always put you dollar in the froggy.

Note: Annual club awards are determined by shooting a minimum of 3 monthly club shoots. The top scores for each style and class earn the award.

Publicity Manager's Report – Help Pass the Word

By Tony Kasovich

This newsletter is our opportunity to get the word out to club members about upcoming events, changes in the club or range and highlight any new offerings by our select advertisers.

By this point, you've already read the other report columns and

know that our range continues to get updates and that the EDHB Open 3D Tournament is just around the corner... March 5th & 6th... You've seen that the new 2011 bows are out and good deals are to be had on packages and last year's models, and you've seen the request to participate in monthly club shoots.

As publicity manager, I'd like to take this opportunity to encourage all club members to help extend "our voice" to non-members. Take the initiative to talk up the club to range visitors as you shoot. It's easy to share your experiences of being a member and encouraging them to become members as well.

While our range and course make EDHB an outstanding facility, it's our members that really make our club something special. And you all know that – you're already members! As we continue grow our ranks, we're bringing in fresh enthusiasm as well as extra hands to help carry the load required to maintain our top notch club.

Now, I'm not asking anyone to wear poster boards and stand out in Town Center, but I would encourage you to share your experiences with visitors when you have the chance and extend a warm welcome to join our club. Let them know there are applications available at the information kiosk or online on our website.

Thanks much for making this an outstanding club!

Thanks for reading – Tony
